

## More Than A Hundred Attend Health Forum

*Mon, 09 Mar 2009 9:49:08 EDT*

More than 100 people took part in a health care forum for the South East Local Health Integration Network at Kingston City Hall Saturday. The forum was one of several planned by the LHIN to help it draft the next three year strategic plan to direct the delivery of health care services in the region. Other open houses will be held in 15 different geographical areas like Odessa Deseronto and Belleville in April and May
